- IELTS not lower than 6.0 **OR**
- CU-TEP (Chulalongkorn University Test of English Proficiency) not lower than 80

1.1.2 Applicants must achieve the minimum score in **one** of the following Mathematics proficiency tests:

- CU-AAT (Math Section) not lower than 480 **OR**
- A Level Mathematics (9709) or Further Mathematics (9231) not lower than B **OR**
- AP Calculus AB not lower than 3 **OR**
- ACT Math not lower than 26 **OR**
- IB Mathematics: Application and Interpretation HL
or Analysis and Approaches HL not lower than 6 **OR**
- SAT Mathematics section not lower than 620 **OR**
- SAT Subject Test in Mathematics Level 2 not lower than 600

1.1.3 Applicants must achieve the minimum score in **one** of the following Science proficiency tests:

- CU-ATS	not lower than 800	OR
- A Level Physics (9702) and Chemistry (9701)	not lower than B	OR
- AP Physics 1 or 2 or C-Mechanics and AP Chemistry	not lower than 3	OR
- ACT Science	not lower than 25	OR
- IB Physics HL and Chemistry HL	not lower than 6	OR
- SAT Subject Tests (Physics and Chemistry)	not lower than 600	

The official score reports of the tests according to 1.1.1, 1.1.2, and 1.1.3 are valid only when the tests were taken within two years of the last day of application date.

2. Number of Admitted Applicants

Faculty of Engineering will admit a total of **10 qualified** applicants to Bachelor of Engineering in Chemical and Process Engineering (International Program) in Academic Year 2023.

3. Application Process and Application fee

3.1 Application Process

3.1.1 Apply online and complete the application form at <http://intranet.chem.eng.chula.ac.th/chpe>. There are two rounds of application as follows:

First round application: December 21, 2022 – February 6, 2023

Second round application: March 15 – May 15, 2023

(The second round of application will take place on the condition that the announced number is not met in the first round.)
